

THIS IS AN ONLINE COURSE

Course No: ER2909	Start Date: 15 May 2020	End Date: 17 July 2020	Start Time: 09:00	Day Of Week: Fri
Centre: FULLWOOD PRIMARY SCHOOL	Tutor: Anisha Agrawal		Total Learning Hours: 27	

How will this course benefit me?

This course is for parents, carers and grandparents of children in Primary schools, Children's Centres and Nurseries who want to support children's learning. You will increase and improve your knowledge and understanding of how and what children learn in numeracy lessons at school. You will also have the opportunity to refresh your own numeracy skills and knowledge. Adults will learn the basic skills and knowledge that could inspire and enhance career prospects.

What are the entry requirements?

You will need a basic level of English (Entry Level2)
a computer/laptop/tablet with a fully updated browser (preferably Google Chrome)
an email address
a reliable internet connection
a microphone and preferably a camera

Once you are enrolled on the course, you will receive detailed instructions on how to join the class

What will I learn?

To develop and improve,

- Maths vocabulary
- Place value, number line and number bonds
- Mental maths
- Addition, subtraction, multiplication and division strategies
- Fractions, percentages and decimals
- Shape, position and simple geometry
- Problem solving
- Maths in everyday life e.g. using money, measuring, working out time
- Early maths skills through games, songs and activities

How will the course be delivered?

This course will be delivered online, and will involve tutor presentation and class discussion. Preparation and homework outside class times is expected/recommended.

How will my learning be assessed?

The tutor will use observation, mark completed tasks, use Q & A and Individual Learning

What are the extra costs?

Please bring a pen, pencil and folder for your work

What can I progress to next?

Progress to the next level City & Guilds Maths, English and Skills for Life courses
Keeping up with the Children English, Science, Money Matters, Digital Technologies and Employability Workshops

Health and Safety requirements?

You will need to follow your teacher's advice and guidance to ensure that you are participating safely and following Health and Safety procedures.

Courses are subject to a minimum number of enrolments and could be cancelled if recruitment is low. Where possible an alternative class will be offered at a different time/location. If you require any further information or advice, please contact our customer service advisers on 02085502398 or email enquiries@redbridge-iae.ac.uk
